Protested April 13, 1936 by J. J. Vignolo.

**APPROVAL OF STATE ENGINEER**

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions: This permit is issued subject to all prior rights and especially subject to that certain stipulation between D. M. Findlay and J. J. Vignolo dated September 29, 1937, and filed in the State Engineer's Office on October 22, 1937. It is understood that the 1.0 cubic foot of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to beneficial use. Accurate measurements of the water placed to beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed one (1.0) cubic feet per second.

Actual construction work shall begin on or before July 1, 1938

Proof of commencement of work shall be filed before August 1, 1938

Work must be prosecuted with reasonable diligence and be completed on or before July 1, 1940

Proof of completion of work shall be filed before August 1, 1940

Application of water to beneficial use shall be made on or before

July 1, 1941. Proof of the application of water to beneficial

use must be filed with State Engineer on or before August 1, 1941

Map filed Feb. 29, 1936

Proof of commencement of work filed JUL 14 1938 WITNESS MY HAND AND SEAL this 18th day

NOV 4 1943

of November 1937
